Today marks the 16th anniversary of the September 11th, 2001 terrorist attacks. On this date in 2001 beginning at about 8:45am, three commercial airliners were hijacked and flown directly into three buildings. The attacks destroyed the twin towers of the World Trade Center and severely damaged the Pentagon. The fourth plane that was hijacked crashed into a field in Pennsylvania during an attempt by the passengers and crew to regain control. On this day we remember the 2,977 fallen American heroes who tragically died as a result of these attacks. Today in advisory we ask all students to write down (on the post-it notes provided) 3 (or more) random acts of kindness that you will commit to doing during the rest of the month of September in memory of those who lost their lives. Your advisory teacher will collect the commitment notes and we will display them all on the walls of the main stairwell.

• Mr. Winston would like to shout-out freshman Henry Moore and Adrian Lopez for cleaning up all of the lunch tables in the Gym concession area after Power Hour Friday. There was a huge mess left by their peers and neither of them even ate there but they noticed the trash coming to P.E. for 3rd block and stopped on their own and began cleaning up!!! Thanks for doing the right thing.
• Ms. Sisson would like to shout-out junior Gabrielle Henry for walking her freshman mentee to her classes to get her make up work to improve her grades. Way to model accountability, Gabby!!!
• Shout-out to the Varsity Football Team, Marching Band, and Dance Team for an awesome game Friday! The Generals beat the Russellville Golden Tigers 45-0 for their third win of the season! Also a huge shout out to the Scream Team and all other students who came out to support Team Lee!
• A Russellville fan shouted out Lee High School on Facebook after the game Friday night. Here’s what she had to say: “Experienced some great class & sportsmanship at last night’s football game!! First, immediately following kickoff we got to see members of Lee HS marching band come to our band and greet & talk with our band! During a freak fall and injury to our cheerleader, I look over and see their entire cheer squad on one knee...a typical response to a football injury but never have I witnessed for a cheerleader. Then, immediately as the stretcher was rolled in, their squad came and wrapped arms around our girls as they huddled and prayed for our injured cheerleader. Finally, after the game, our team always takes a knee at centerfield. What a heart warming moment to see Lee’s team join them, arm-over-arm, for one final moment of true class, sportsmanship, & Christian brotherhood. Please share if you know anyone with Lee Huntsville.”
