

AAA Families,

Can you believe it is the LAST WEEK of SCHOOL?? The year has flown by! I look forward to seeing you at our Celebrations this week to honor our students as they bridge to the next level of learning.

Monday: Grades 2-4 at 9:00am

Tuesday: Grades 5-6 at 9:00am

Wednesday: Grades 7-8 at 9:00am

- Don't miss the Stars and Clowns this week! They will be on tour throughout Huntsville on Monday, ACT Night on Tuesday at 7pm, and last day school performances on Thursday May 25.
- Many grade levels will be ending the year with one last trip or on campus picnic. Be sure to watch for notes and emails from teachers with details.
- A **big thank you** to those of you that have turned in all your library books. Please make one last check for books in cars and under beds so Mrs. Levert can complete inventory!

Have a great summer! Mrs. V
