### What Makes AAA Special?

The Academy for Academics and Arts (AAA) is an Arts Magnet School. We focus on visual and performing opportunities to improve student confidence and academic prowess. Our students have high academic expectations, and many have gone on to significant accomplishments beyond their schooling. AAA has an ongoing legacy of success and preparing students for promising futures.

We believe we are a family. We believe the arts are important. We believe that diversity makes us strong. We believe the goal is to keep improving.
