

Chapman Elementary School

Vision

To provide every student with the tools & strategies needed to be a successful lifelong learner

Mission

To challenge all students to be safe, helpful, accepting, responsible, and productive citizens.

Beliefs

We believe learning is a life-long process. We believe respect and acceptance are essential for learning. We believe all students can learn, achieve, and be successful.

Learning Outcomes	Community Connections	Whole Student Development	Professional Growth	Technology Plan	Operations and Resources
<p>Objectives</p> <ul style="list-style-type: none"> • Provide all students with quality standards based instruction to improve reading, math, and science scores. 	<p>Objectives</p> <ul style="list-style-type: none"> • Foster active communication between parents, teachers, and the community. 	<p>Objectives</p> <ul style="list-style-type: none"> • To provide programs, structure, and resources to meet the needs of all students. 	<p>Objectives</p> <ul style="list-style-type: none"> • Provide professional development throughout the year to improve instructional practices. 	<p>Objectives</p> <ul style="list-style-type: none"> • Prepare and support teachers and leaders to graduate college and career ready students. • Educators and students will have tools to access a comprehensive viable infrastructure as needed. • Engage and empower the learner through technology. 	<p>Objectives</p> <ul style="list-style-type: none"> • Prepare learners to be digitally fluent college and career-ready students.
<p>Critical Initiatives</p> <ul style="list-style-type: none"> • Provide tiered instruction in reading, math, and science 	<p>Critical Initiatives</p> <ul style="list-style-type: none"> • Increase communication between home and school to 	<p>Critical Initiatives</p> <ul style="list-style-type: none"> • Create a positive school culture utilizing a multi- 	<p>Critical Initiatives</p> <ul style="list-style-type: none"> • Technology professional development will be 	<p>Critical Initiatives</p> <ul style="list-style-type: none"> • Assist teachers in moving from text based resources to 	<p>Critical Initiatives</p> <ul style="list-style-type: none"> • Teachers and students will have access to a

<p>Critical Initiatives</p> <p>to meet the needs of all learners.</p> <ul style="list-style-type: none"> • Implementing formative and summative assessments to increase reading, math, and science achievement. • Provide students with individualized instruction using technology as a guide. • Continuous teacher and student development of instructional practices. 	<p>Critical Initiatives</p> <p>support parental involvement.</p> <ul style="list-style-type: none"> • Our school will include parents and stakeholders in ZOOM meetings to inform and to include them in our school goals and student activities. • Parent coordinator will facilitate community and parent involvement meetings/activities 	<p>Critical Initiatives</p> <p>tiered behavioral system of support (PBIS) to reduce negative behaviors and maximize instructional time.</p> <ul style="list-style-type: none"> • Student data will be discussed with a problem solving team to create and evaluate an instructional plan to address interferences in student academic and social growth. • Morning meetings are used to create a positive school culture. • Monitor student attendance daily to identify students who are potentially at risk due to excessive absences. 	<p>Critical Initiatives</p> <p>provided to improve instructional practices.</p> <ul style="list-style-type: none"> • Reading, math, and science professional development will be provided to improve instructional practices. • Teachers will participate in professional learning by attending school, district, and other professional developments to improve their teaching. 	<p>Critical Initiatives</p> <p>interactive content to engage and connect students to learning.</p> <ul style="list-style-type: none"> • Provide best practice that expose students to opportunities to develop, collaborate, and communicate with technology. • Provide all students with a digital device and support 21st century learning. 	<p>Critical Initiatives</p> <p>comprehensive infrastructure for learning using digital tools and resources, in order for students to be successful in school, career, and adulthood.</p>
<p>Key Measures</p> <ul style="list-style-type: none"> • Lesson plans, achievement scores, and observations • PST data, achievement scores, and BLOOM data • Student's achievement data, classroom assessments • Progress monitoring, sign in sheets • Achievement data will increase. 	<p>Key Measures</p> <ul style="list-style-type: none"> • Sign in sheets, conference forms, attendance • volunteers, sign in sheets, resources for students 	<p>Key Measures</p> <ul style="list-style-type: none"> • BLOOM Data, participation in PBIS events • PST data, achievement scores, and BLOOM data • BLOOM Data, PST data • Attendance report 	<p>Key Measures</p> <ul style="list-style-type: none"> • Sign in sheet, lesson plans, achievement data • Progress monitoring, sign in sheets • Sign in sheets, turn around training, 	<p>Key Measures</p> <ul style="list-style-type: none"> • Teacher/ student usage, lesson plans, tech survey • Sign in sheets, formative assessments, lesson plan • Lexia, Moby Max, Schoology, AR, STAR, Freckle 	<p>Key Measures</p> <ul style="list-style-type: none"> • Teacher/ student usage, lesson plans, tech survey
