What Makes Goldsmith-Schiffman Special?

At Goldsmith -Schiffman Elementary we soar to new heights to reach the gold standard. Goldsmith-Schiffman was named a Lighthouse School by Blue Ribbon Schools of Excellence in 2014. Dedicated Faculty and staff members work with parents, volunteers, and over 50 community partners to ensure our students reach the gold standard each day. At Goldsmith-Schiffman we follow the 4 R's to ensure that we are Respectful, Responsible, Resourceful, and Ready. We are especially proud of our dedicated Grandparent's club that supports our faculty and students daily through numerous projects throughout the school. In addition, we have an amazing Math team and they continue to win awards in the district wide competition.
