### Student Community Service Log

#### 2019-20

Students at HCMS learn the value of leadership through service by participating in community service opportunities throughout the school year. The following are guidelines for our students:

- Students who give a minimum of **10 hours** of community service during the year will be recognized at the end of the school year.
- Students may begin logging community service for 2018-19 on April 30, 2018 and continue through May 1, 2019.
- Community service logs are due to the student's advisor by May 1, 2019.
- Community service logged on this form must be served outside the school day.
- A student may not gain anything from the services provided, such as money or grades.
- Signatures on the log must be provided by the employer/adult of the location where the student serves.
- Examples include, but are not limited to, service to a school, church, or other non-profit organization, cutting yards or grocery shopping for the elderly, or volunteering at a nursing home or animal shelter. Explore the following site for more ideas on volunteering: <http://www.volunteennation.org/>
