What Makes Hampton Cove Special?

Hampton Cove Elementary School is special because we are truly a community school. The relationships built between our faculty, parents, students, and community is a palpable feeling that guests and newcomers feel the minute they walk in our building. We start each day with a morning meeting to make sure we start our day with a common goal! We support each other and work well together as a team. Our common goal is to create confident 21st century global learners who have a growth mindset! At HCES, our family Leads with Honor, Our Character Counts, and we strive for Excellence to achieve Success for ALL!
