### What Makes Lee Special?

Lee High School is special because we are truly a FAMILLEE! Our faculty and staff care about our students and each other as a family should. We have a diverse student body who come together to create a loving environment where all individuals feel valued. No matter what a student's interests, skill sets, or academic passions are, they will be welcome and supported at Lee High School. We have students who want to be professional athletes, doctors, lawyers, performing artists, educators, nurses, and world changers. Our teachers are passionate about helping all our students achieve their goals. Through our magnet program, AP classes, dual enrollment offerings, athletics, clubs and opportunities through Power Hour, we believe in giving students the best academic and well rounded education possible. Our teachers work to accept students where they are and push them beyond their expectations. At Lee High School, we strive for diversity, acceptance and excellence.
