Welcome to McDonnell Elementary

McDonnell is one of a few true "community schools" in Huntsville City Schools. All students walk, ride their bike or are driven to school every day.

Our Vision at McDonnell

The vision of McDonnell Elementary School is to work as professional and highly motivated staff, with parents and community, to instill values and guide children to become lifelong learners who believe anything is possible. We encourage students to reach their full potential in a place where everyone is unique and important.

Our Mission at McDonnell

McDonnell Elementary School will provide a safe and orderly learning environment. We will promote learning by providing instructions that are flexible and centered around the goal of lifelong learning. We expect our children to be good citizens and productive members of society.

McDonnell Elementary "Home of the Buzy Bees!"

It takes a village..

McDonnell appreciates everyone who makes our school great. We could not do it without the community involvement and endless hours of volunteering, chaperoning, reading, organizing, donating and doing whatever was necessary to support students—both at home and at school. Special thanks to our PTAC, Mr. & Mrs. Parks and family, Mrs. Jackson, Friendship Church, Mrs. Vansant, Grissom High School and PTA, Butterfly Kissables, and Redstone Federal Credit Union who, as usual, went above and beyond the call of duty to provide whatever was necessary to add to our students' already rich school experience.
