Williams Middle School**

Mrs. Katherine Osborne

Course Description:

The sixth grade reading course provides a balance of reading, writing, speaking, listening, and language skills. This year we will read and analyze a variety of texts covering a multitude of genres. We will read a variety of poems, novels, short stories, newspaper articles and other informational texts. This year the students will progress through the writing process by planning, revising, editing, and publishing specific types of writing. Vocabulary, spelling, and grammar assignments will be another important focus area in our class. Throughout the year, the students will work independently, in small groups, and in whole group settings. The students will also be expected to present information to their peers.
