"Creativity is allowing yourself to make mistakes.
Art is knowing which ones to keep."-Scott Adams

COURSE DESCRIPTION:

An overview course designed to allow each 7th grade student to explore a variety of media, techniques and methods. Projects focus on introducing and developing the elements of art (line, form, color, value, texture). Understanding and appreciation of self and others through art history, culture, and heritage is emphasized. Samplings of two-dimensional and three-dimensional projects are produced.

GRADING PRACTICES

Homework 10%

Classwork 30%

Assessment/Projects 60%

If work has not been turned in at the time of grading, a "1" will be placed in the grade book to represent make up work. This is to ensure that the true grade is reflected and is a district wide policy.

Make-Up Work

If you miss a day in class, it is your responsibility to find out what you missed. Ask your classmates what you missed. If you are still unclear after talking with them, raise your hand and ask the teacher at an appropriate time.

Turning in Late Assignments

HOW TO ENSURE YOUR WORK GETS GRADED

1. When you are ready to turn in your late work, you must fill out a "Turn In Ticket"
2. "Turn In Tickets" are located on the "Catch Up Corner"
3. A ticket must be turned in if your work is late for any reason. This includes being absent and/or not utilizing class time to complete your work.
4. "Turn In Tickets" are for both paper work and online assignments.
5. Late work will be graded twice a month on designated dates listed on the "Catch Up Corner"
6. Late work will only be accepted during the 9 week period it was assigned.

If it's not
your work,
it's not your
grade!
