### What Makes Williams Special?

Williams Middle School is an IB "International Baccalaureate" World School educating students in 6th-8th grades including The Academy for Gifted and Talented Magnet Program. Last year, the schools's population was approximately 590 students. We are extremely proud of our diverse student population! At Williams Middle IB World School all students are enrolled in Spanish classes and a Design class. We have a thriving band and outstanding choir in our Music Department. The students in AGT are offered piano classes. Welcome to the "Hawk's Nest"!

For more information about IB Schools and MYP, Middle Years Program, please go to the following website:
