What Makes Williams Special?

Williams Elementary is an incredible place to be! As an IB School, we far exceed expectation for cultural experiences and hand-on learning. At Williams, we provide students with the opportunities to grow, engage, and develop age appropriate skills that will make them lifelong learners. We offer a variety of clubs for students to participate in, along with different hands on experiences such as Science Week, International Reading Week, IB units, and many more. Our goal at Williams is to strive for excellence, encourage one another, and to accept new and challenging opportunities that are thrown our way.
