Please Note: There are a total of 34 instructional days plus 6 review days in the first 9 weeks, not including the first week of school (you need to review the Civil War and Reconstruction). Approximate pacing and number of days are suggested, but you may adjust to fit your students’ needs just as long as you teach all the standards listed for this grading period.

Grades 9-12th Technology Course of Study Standards
#3- Demonstrate advanced technology skills, including compressing, converting, importing, exporting, and backing up files.
#5- Utilize advanced features of spreadsheet software, including creating charts and graphs, sorting and filtering data, creating formulas, and applying functions.
#6- Utilize advanced features of multimedia software, including image, video, and audio editing.
#8- Practice safe uses of social networking and electronic communication.
#9- Practice ethical and legal use of technology systems and digital content.
