PARENTAL NOTIFICATION LETTER REGARDING CHOICE AND TRANSFERS

Date Current Date
Parents/Guardian of Student Name
Student Address
Huntsville AL 35811

On June 9, 2015, Governor Robert Bentley signed into law the Alabama Accountability Act of 2015, which sets forth new flexibility requirements for school systems and schools. The Act also includes a provision for financial assistance through an income tax credit to a parent who transfers a student from a failing public school to a non-failing public or non-public school of the parent’s choice.

Your student’s 2018-19 school, Current School, has been designated a “failing school” pursuant to the Act. This designation does not reflect progress that is in fact occurring at your school. Strategies are currently being implemented to ensure that your student receives the best education possible.

Due to your student’s school meeting the definition of a “failing school,” we are required to notify you of your options as follows:

- **Option 1** – Your student may remain or enroll in his or her assigned school. If you wish to transfer your student to another Huntsville City School, you can apply for a magnet transfer to New Century Technology High School. The application window will open on March 1, 2019. For more information contact Magnet Programs at 256-428-6864, or email magnet@hsv-k12.org. Huntsville City Schools offers Majority to Minority transfers which are awarded based on eligibility and space availability at the requested schools. For more information, please contact Jennifer Key, Student Assignment Information Specialist at 256-428-6854, or email Jennifer.key@hsv-k12.org.

- **Option 2** – Your child may transfer to another school that is not included on the annual list of “failing schools” in another local school system that has available space and is willing to accept the student. The list of “failing schools” can be found at https://www.alsde.edu/dept/data/AAA Tabbed/AAA Failing School List January 2019.pdf
• **Option 3** – Your child may transfer to a qualifying non-public school in Alabama that is willing to accept the student. A qualifying non-public school must be accredited by one of the six regional accrediting agencies recognized by the Alabama State Board of Education or meet all the conditions for a qualifying school provided by the Alabama Accountability Act of 2015-434.

Parents who elect to utilize the transfer processes in Options 2 or 3 must complete an appropriate Student Transfer Form. The form is available by contacting Jennifer Key at 256-428-6854, or emailing Jennifer.key@hsv-k12.org. This Student Transfer Form must be submitted to Jennifer Key by **May 1, 2019**, for the 2019-2020 school year.

Finally, please be aware that this letter is an important income tax document should you choose to transfer your student. Please retain a copy of it and the Student Transfer Form for preparation of your upcoming state income tax return. You will need to submit the Student Transfer Form with your state tax return to the Alabama Department of Revenue if you request a tax credit pursuant to Alabama Act No. 2015-434.

If you have any questions regarding this notification, please feel free to contact Jennifer Key at 256-428-6854, or email Jennifer.key@hsv-k12.org.

Sincerely,

Christie Finley  
Superintendent, Huntsville City Board of Education
Where can I complete a M2M transfer application?

- Using a computer at your student’s school or at the Huntsville City Schools’ central office located at the Merts Center, 200 White Street, Huntsville, Alabama 35801; or
- Using a paper application made available at the Merts Center and at your child’s school.

How can I find out more information about the M2M transfer process?

For more information, please visit www.HuntsvilleCitySchools.org

Email Jennifer Key, Student Assignment Information Specialist, at jennifer.key@hsv-k12.org or call 256-428-6892.

Who can apply?

Rising Kindergarten through 12th grade students can apply, if they are eligible. To be eligible for a Majority-to-Minority (M2M) transfer, the student’s race must be in the majority at the student’s zoned school for the 2019-2020 school year. Majority means that over 50% of the students at the school are the same race.

What does a M2M transfer do?

A M2M transfer allows a student whose race is in the majority at his or her zoned school transfer to a school where the student’s race is not in the majority, if space is available at that school, as defined by the Consent Order.

When can I apply for a M2M transfer?

Huntsville City Schools will accept late M2M transfers until 11:59 p.m. on July 15, 2019. Applications received during this time will be accepted on a first-come, first-served basis after all students in the lottery have been processed.
M2M Transfer Frequently Asked Questions

1. How do Majority-to-Minority ("M2M") transfers work?
   Rising Kindergarten through 12th grade students are eligible for an M2M transfer if: 1) the student’s race is in the majority at the student’s zoned school; 2) the student’s race is not in the majority at his or her desired school; and 3) there is space available at the student’s desired school, as defined by the Consent Order. Majority means that more than 50 percent of the students at the school are the same race.

2. Am I eligible for a transfer?
   In order to be eligible, your student must be in the majority race at his or her zoned school for the 2019-2020 school year. Find your student’s school on the Demographics & Space Availability Table on the website and check under the column labeled “Race of students who can transfer in?” If the race in that column matches your student’s race, he or she is eligible to transfer to that school using an M2M transfer (assuming your student’s race is in the majority at his or her zoned school for the 2019-2020 school year (see #2)).

3. Which schools may my child transfer to using an M2M transfer?
   To determine whether your student may transfer to a specific school using an M2M transfer, find the school on the Demographics & Space Availability Table on the website and check under the column labeled “Race of students who can transfer in?” If the race in that column matches your student’s race, he or she is eligible to transfer to that school using an M2M transfer (assuming your student’s race is in the majority at his or her zoned school for the 2019-2020 school year (see #2)).

4. On the Demographics & Space Availability Table, my child’s zoned school says “No Transfers Out.” What does this mean?
   M2M transfers require that your student’s race is in the majority at his or her zoned school for the 2019-2020 school year. If a school has no majority race, meaning that no race constitutes more than 50 percent of the student population, then no student may transfer out of that school using an M2M transfer.

5. My race is not Black or White. May I use an M2M transfer process?
   There are no schools in Huntsville City Schools that have a majority race other than Black or White. Therefore, at this time, students of a race other than Black or White are not eligible for an M2M transfer.

The M-to-M Application Window for the 2019-20 School Year

The regular M-to-M application window OPENS on November 15, 2018 and CLOSES at midnight on January 15, 2019.

- Applications received during this time will be placed in the lottery.
  - All eligible students who apply during the application window will be entered into the lottery.
  - On the basis of their selected transfer schools, they will have an equal likelihood of being selected for a transfer.

- There will not be any first-come, first-served for applications during this window.

- Late M-to-M applications will be taken from the end of the regular application window

- Applications received during this time will be processed on a first-come, first-served basis after all M-to-M transfer applications in the regular lottery have been processed.

Majority-to-Minority Student Transfer Application

PLEASE READ PRIOR TO COMPLETING AN APPLICATION

1. How do Majority-to-Minority ("M-to-M") transfers work?
Rising Kindergarten through 12th grade students are eligible for an M-to-M transfer if: 1) the student’s race is in the majority at the student’s zoned school; 2) the student’s race is not in the majority at his or her desired school; and 3) there is space available at the student’s desired school, as defined by the Consent Order. Majority means that more than 50 percent of the students at the school are the same race.

2. Am I eligible for a transfer?
In order to be eligible, your student must be in the majority race at his or her zoned school for the 2019-2020 school year. If you are unsure which school is your child’s zoned school for the 2019-2020 school year, please use the “Find my School” tool found at https://huntsvilleal.gismaponline.com/schools/defaultis.aspx. Once you know your student’s zoned school for the 2019-2020 school year, please find your child’s school on the attached Demographics & Space Availability Table and check under the column labeled “Race of students who can transfer out?” If the race in that column matches your child’s race, he or she is eligible for an M-to-M transfer. For additional help, contact the Assessment and Accountability Department at 256-428-6892 or jennifer.key@hsv-k12.org.

3. Which schools may my child transfer to using an M-to-M transfer?
To determine whether your child may transfer to a specific school using an M-to-M transfer, find the school on the Demographics & Space Availability Table and check under the column labeled “Race of students who can transfer in?” If the race in that column matches your child’s race, he or she is eligible to transfer to that school using an M-to-M transfer (assuming your child’s race is in the majority at his or her zoned school for the 2018-2019 school year (see #2 above)). For additional help, contact the Assessment and Accountability Department at 256-428-6892 or jennifer.key@hsv-k12.org.

4. On the Demographics & Space Availability Table, my child’s zoned school says “No Transfers Out.” What does this mean?
M-to-M transfers require that your child’s race is in the majority at his or her zoned school for the 2018-2019 school year. If a school has no majority race, meaning that no race constitutes more than 50 percent of the student population, then no student may transfer out of that school using an M-to-M transfer.
5. What do the “High”, “Medium”, “Low”, and “No/Limited” mean under the column “Space Available”? High Availability Schools are projected to have 30 seats or more for transfers. Medium Availability Schools are projected to have between 15 and 29 seats for transfers. Low Availability Schools are projected to have fewer than 15 seats for transfers. No/Limited Availability Schools are schools projected to have no space available or very limited space available. Selecting No/Limited Availability schools will likely result in placement on the waitlist, and there is only a small chance that these schools will accept transfers during the waitlist period.

6. My race is not Black or White. May I use an M-to-M transfer process? There are no schools in Huntsville City Schools that have a majority race other than Black or White. Therefore, at this time, students of a race other than Black or White are not eligible for an M-to-M transfer.

7. What happens if I use this application to apply for an M-to-M transfer, but my child is not eligible for an M-to-M transfer or the school I select for the transfer is not eligible to accept my student? Your child’s application will be denied. For additional help, contact the Assessment and Accountability Department at 256-428-6892 or jennifer.kev@hsv-k12.org.
