Measures Taken to Support Promotion of Black Teachers	Measures Taken to Support Promotion of Black Administrators
<p>In 2021, a total of eighteen classroom teachers were screened and included in the talent pool to be interviewed for administrative positions. Eight were Black and ten were White.</p>	<p>A Professional Learning Unit was revised and implemented by the district to provide leadership training and resources to new administrators as they grow in their field. The year-long study, entitled Growing Focused administrators, created a mentoring platform with monthly topics to support building relationships, knowledge and confidence in their administrator role.</p>
<p>In June of 2021, nine teachers were selected and assigned to the role of Assistant Principal for the 2021-2022 school year. Seven were Black and two were White.</p>	<p>In June of 2021, an Administrative Conference was held to support administrators in the District. Principals were asked to turn the training around to assistant principals to support mentoring and collaboration. A series of trainings for assistant principals has been developed and implemented to provide small group support to assistant principals each month.</p>
<p>Multiple Professional Learning Unit opportunities were created and made available to teachers to support administrative certification. PLU topics included: Mentoring for Administrators Leadership Strategies with Dr. Kevin Elko Leading for Equity</p>	<p>In June of 2021, three assistant principals were promoted to the role of principal. One was Black and two were White. Two district leadership positions were filled during the spring/summer of 2021. Both the Chief Equity Officer and Executive Director of Prevention and Support Services were promotions of Black administrators.</p>
<p>The percentage of Black assistant principals has remained above 50% for the last five year years, and has steadily increase over the last four years: 2017-2018: 65% Black 2018-2019: 55% Black 2019-2020: 54% Black 2020-2021: 60% Black 2021-2022: 64% Black</p>	<p>The percentage of Black principals remains well above the baseline percentage in 2017-2018: 2017-2018: 31% Black 2018-2019: 43% Black 2019-2020: 47% Black 2020-2021: 51% Black 2021-2022: 47% Black</p>
