*Note: In previous surveys, Q11 and Q12 were open ended questions. Using the most frequent response categories from previous years' data, response options were created for Q11 and Q12. An "other" option was still provided. "Other" responses were coded into an existing response option, or notated in a unique response category. Also, students frequently omit answering the free response questions (in the previous survey, a third of students did not answer Q11, and a quarter did not answer Q12). Selection of the "not sure" options on Q11 and Q12 confirm a portion of students who are unaware of the reason for and status of their transfer rather than a lack of desire to respond.*

<b>Blossomwood ES</b>	<i>Better support &amp; relationships</i>	just for the work not to be too hard
	<i>Content with M2M program</i>	The transfer is nice
	<i>Other</i>	that the m2m goes a little bit faster
		that we need to move quicker
		when you meet a frideship
<i>Welcoming environment</i>	to have nice coummunity	
<b>Challenger ES</b>	<i>Better support &amp; relationships</i>	I really don't know what is a M2M but i will say that help there students if there are failing
	<i>Transportation improvement</i>	Make the bus ride shorter.
<b>Challenger MS</b>	<i>Better support &amp; relationships</i>	Well I think if there very smart students they should go to a better school to succeed and kids have a hard time should get tutoring or after school with the teachers.
	<i>Content with M2M program</i>	I do not think there needs to be any improvements! I like Challenger Middle School just the way it is right now!
		I don't think I made an improvement but i like challenger middle but i will be moving sometime in june maybe.
		I feel like my reading skills are better than before.
		I have no suggestions. The Majority to Minority program works just fine for me (albeit true I find being called a minority offensive, but that has nothing to do with the program itself).
		My M2M transfer has been really great because the school I am at really helps me. I have been to I got an education in the other schools but not the education I need. This school really helps me a lot.
	<i>Expansion/change to M2M policies</i>	I suggest M2M offer transfers to the feeder schools automatically.
		I think more people should know about it i do not know anything about it. I also think you can improve on communication skills so i can know about it.
<i>Welcoming environment</i>	Fell welcomed	
<b>Grissom HS</b>	<i>Other</i>	that if some of us are sick we need to go home immediately.
		umm please clean the bathrooms more often, thank you
	<i>Transportation improvement</i>	a new bus driver for bus 144
		Transportation should be made for students involved in after school activates.
	<i>Welcoming environment</i>	make the m2m students feel welcome and like they are equal to everybody in the school

Hampton Cove ES	<i>Better support &amp; relationships</i>	less work mabey
	<i>Content with M2M program</i>	i dont really think there is anything t approve everything is great the way it is this school helped me with my reading more.
Hampton Cove MS	<i>Content with M2M program</i>	Its not the best but its good... :)
		something to improve M2M is to do nothing because it is already good.
Huntsville HS	<i>Better support &amp; relationships</i>	get a better principal at hhs because the one here do too much for me
		Provide more resources to low income students and M2M. For instance offering information about 504 forms which I didn't know about until I was a senior. Provide more info and resources for M2M transfers
	<i>Content with M2M program</i>	Everything is good.
		I don't want to change anything the M2M progtram is Amazing.
		I feel like this is the best program. I'm glad I chosen M2M program for my grade years. I will recommend to anyone.
		i have had a lot of improvement this year i have been able to focus and enjoy my school year the way that i wanted too.
		I like it i have no suggestions
		I think its fine
		It's already good
		its nice
		The M2M program is very good.
	<i>Expansion/change to M2M policies</i>	I would recommend opening it up to more people because eveyone doesn't have the right support system out of school to succeed.
	<i>Other</i>	better lunch. MATH.
	<i>Transportation improvement</i>	FIX THE BUS SYSTEM
If we ever a bus that does the same route as us and they don't have a bus driver call another bus instead of putting us all on the same bus		
<i>Welcoming environment</i>	Stop bullying and the racism	
Huntsville Jr. HS	<i>Better support &amp; relationships</i>	making some of my teachers close as friends and getting to know more people.
	<i>Content with M2M program</i>	i have improved a lot.

	<i>Expansion/change to M2M policies</i>	M2M program should last for two years insted of one
	<i>Other</i>	i don't know what a M2M is but all of my work well be worth it
<b>Jones Valley ES</b>	<i>Content with M2M program</i>	I don't think the M2M program needs improvement, I like it how it is. The teachers are nice, and I feel welcome here.
	<i>Other</i>	will we get more work
	<i>Expansion/change to M2M policies</i>	That my transfer is complete
	<i>Other</i>	Just pray that god make this mask thing go away.
<b>Monte Sano ES</b>	<i>Transportation improvement</i>	I suggest that all the kids that get on the bus at other schools, need their own bus so it would be easier transportation and it would not be as crowded especially since Covid is around. The bus driver has a really hard time concentrating when driving, because of the other kids that get on our bus yell, shout, say bad words and ect. (this also makes us lose time to learn when trying to go to school)
<b>Mountain Gap ES</b>	<i>Content with M2M program</i>	I like this school and there's nothing wrong with it so this school is one of the best schools i had i really like it so they just keep doing what they do

	<i>Other</i>	i believe in myself that i am going to pass 8th grade and going to 9th grade high school
		ill have the improvement cause i need myn learning
<b>Williams ES</b>	<i>Other</i>	I suggest that we should try to keep the school safer from the pandemic so that more students can came back to school.
<b>Williams MS</b>	<i>Content with M2M program</i>	Hey i really like this school and i been here since first grade

Blossomwood ES	<i>Adjusting to Covid protocols was hard</i>	How Covid-19 has affected my experience is wearing masks, having to do virtual, and staying socially distant.
		it affected me by wearing a mask all day long
		It causes a lot of worry & stress having to wear masks and trying to avoid getting Covid-19.
	<i>Harder to learn/do school work/earn good grades</i>	Confusing because we had to go online.
		hard because online school
		It made me not understand some stuff but then i catch on
		worse grades and the teachers are very nice more than my old school
	<i>Interactions with others and participation in school/activities was limited</i>	Covid-19 affected my experience by not letting see my friends.
		Covid-19 has affected my life because i can not go places like i used to.
		Covid-19 has made it so that i stay at home all the time without being able go to school. I like being able to go to school and interact with my fiends and teachers. Virtual has been kind of hard.
		i can barley see my friends i am not happy that we have to where mask but it is for the best.
		I cant go to the school building
		it affected how i meet new people,and interact with people
It has affected me because i can't go places like i usually do.		
we still can eat my are frides		
<i>Other</i>	it affected me a lot	
	leaving earlier for school to check to see if I have everything.	
Chaffee ES	<i>Harder to learn/do school work/earn good grades</i>	It affected me a little bit becaues im not really good at virutal learning im better off at school .
	<i>Interactions with others and participation in school/activities was limited</i>	We haven't been able to play with a basketball and football
	<i>Other</i>	I think its different but I know that because of C-19 i have to do online learning which keeps me safe so over all the experience is ok.

	<i>Staying motivated was hard</i>	It was boring being at home. I do better being at school.
	<i>Adjusting to Covid protocols was hard</i>	Covid had affected me in many ways mentally and physically because I can't take off my mask to breathe and I can't just take off my mask anywhere and I have to be socially distanced
		Covid-19 was really bad because I had to talk to people with my mask off.
		i want covid to end up so we can stop wearing masks
		We have to wear these very annoying pieces of cloth on our faces for half of the day while we are in school.

## How has Covid-19 affected your experience as a student on an M2M transfer (if at all)? (Student Free Response)

School	Response Category	Student Response
Challenger MS	<i>Harder to learn/do school work/earn good grades</i>	covid has rewind my life i could fail because i had to be hva and i need to be in the building to learn and i have tried my best this year and i have never had an F until we the covid stuff and the cyber attack just its been rough.
		it is hard to do all this work at home i need to be at school
		it kind of effect a bad because it really brung my grades down a lot.
		It was horrible because no teachers were really going live and it was kinda annoying.
	<i>Interactions with others and participation in school/activities was limited</i>	I don't really get to do anything that I used to before everything happened.
		i have not been able to get in contact with the staff and outside of my house
		I haven't been able to go to school and receive the full student experience I was hoping to receive, thus handicapping my social skills as I don't get the opportunity to go outside as much as I'd like to.
		I stayed home the whole school year. HVA
		It has affected me because when Covid-19 first started it was bad and I couldn't go to school at all or even go outside of my home. I feel like being virtual is hard for me because at home I have responsibilities so it's harder.
		Well it was very sad for me I didn't get to say good bye to my friends and I didn't like HVA its weird to me because I like to see people in person and have the teachers help to get 1 o 1 with them so I know what I am doing just hope I will be at school next year
<i>Other</i>	Yes, Covid-19 did affect my last year in school because I was in HVA. I was not able to interact with teachers or peers face to face.	
	It affected me a lot just in life	
<i>Staying motivated was hard</i>	It is terrible it killed most of my family member friends and it is stopping people from having fun.	
	my grades and motivation went down I couldn't work at home and so I came back to fix my grades	
Chapman MS	<i>Harder to learn/do school work/earn good grades</i>	By being on zoom the first sumester it was really hard i have to be there being on zoom is taruble i have to be face to face with them to do my work
Columbia HS	<i>Interactions with others and participation in school/activities was limited</i>	having to do virtual and not being able to really be connected with my teachers on an in person level.
Grissom HS	<i>Harder to learn/do school work/earn good grades</i>	got behind a little but caught up
	<i>Other</i>	it has made it hard
		it was the worst thing hat could have happened this year
<i>Staying motivated was hard</i>	in a lot of ways like decreased motivation to get up earlier	
Hampton Cove ES	<i>Interactions with others and participation in school/activities was limited</i>	tht i havent been on many field trips but this year as been fun so im ok
	<i>Adjusting to Covid protocols was hard</i>	i hate because i have to wear mask all day

**How has Covid-19 affected your experience as a student on an M2M transfer (if at all)? (Student Free Response)**

School	Response Category	Student Response
Hampton Cove MS	<i>Harder to learn/do school work/earn good grades</i>	it has made work kind of difficult with all the changes.
	<i>Staying motivated was hard</i>	I didn't like virtual because I wasn't able to focus and do my work I didn't understand it but coming back to school made it soooooo much better forme
Huntsville HS	<i>Harder to learn/do school work/earn good grades</i>	Covid had one of the worst affects on me due to my circumstances i wasnt helped by the teachers i had to work alone and it was a struggle i missed assignment due to the systems being hacked the passwords being changed and no teachers contacting me to tell me about the situations.
		covid has made this school year so much harder with myself being a virtual student. i dont get to see my friends and doing work is much more complicated. i cant use youtube because its of course blocked so when i need to what a video for an assignment i cant watch it. and i feel that i am better academically when in front of a teacher becuae it makes it easier to do things like ask for help.
		i havent learned anything at all and i really dont want to be at huntsville at all
		It affected me a lot because my grades drop and this was my first year in high school and it wasn't so fun.
		It made schooling atOhoe a little difficult.
		it really effected my grades & my learning
		It simply made me more stressed. Although, people has said keep up with my work and it'll be fine. But, I can't really be organized with everything with the current things that are happening in my life.
		It's harder to learn being a HVA student because I learn better in class.
		It's much harder. Virtual students don't get the same treatment and I heard we get a lot more work.
		Its effected it because you can never really get anything done its either you get sent home for covid or you hsv or at school its a lot.
	my grades mostly.	
	Not really but my grades in school.	
	Sense Covid came i had to do virtual and i don't like virtual at all and i haven't had the chance to see all my teachers from this year	
	yes mentally, not being able to successfully pass my classes like i know i can , could really put a dent into everything.	
	<i>Interactions with others and participation in school/activities was limited</i>	certain things from the previous year you could not do anymore
		Haven't really been able to see or experience to many things at the school.
		I only attend the school in person for one semester
		It affect me because I can see some off my friends that I usually see. For my work Its find I still can do my work good and right.

## Please offer any suggestions for improvement you may have regarding the M2M Program.

School	Response Category	Parent Response
Blossomwood ES	<i>Transportation improvement</i>	Bus needs to be provided at a central location other than having to drive to a school that is out of the way
		The transportation of students under the M2M needs to be improved. The pickup and drop off location should be where the student lives and not where they are zoned to go to school.
Chaffee ES	<i>Other</i>	after school programs please
Challenger ES	<i>Content with M2M program</i>	Have no suggestion, just like you have this program.
Challenger MS	<i>Expansion/change to M2M policies</i>	If possible, when children come from the same household, the lottery system should not be used. They should all be accepted in one school to help the parents. Thank you
		IT WILL BE BETTER IF SCHOOLS WITH LOWER STAR RATINGS COULD BE UPGRADED OR IF A SCHOOL NEARER TO ONE'S RESIDENCE DISTRICT COULD BE GIVEN TO STUDENTS WHO WISH TO HAVE M2M TRANSFER.
Grissom HS	<i>Fair treatment/welcoming environment</i>	Treat all students with equal opportunity in organizations, sports, academic affairs and etc regardless of the student's nationality.
Hampton Cove ES	<i>Content with M2M program</i>	I love having the option of M2M program!
	<i>Expansion/change to M2M policies</i>	If the kids are sisters and brothers they should attend the same school
Huntsville HS	<i>Content with M2M program</i>	Its a great program.
	<i>Expansion/change to M2M policies</i>	We would like to Transfer to Grissom High School
Huntsville Jr. HS	<i>Expansion/change to M2M policies</i>	Please allow us other options for other schools and also give us enough time to see if that's a school or if we was to go on the waiting list how long will we wait even if we wanted to see if it's another school available also too when we do it on my Northern majority how do we do the bus thing no one told us this it just questions that has to be answered
Lee HS	<i>Other</i>	If Lee High does not have a magnet program. Will New Century be the school he will attend? He has been in magnet at ASFL since pre k. I want him to stay in magnet school.
		The course selection process at his previous school was a confusing mess because no one expected anyone to want to go to any place other than Huntsville High School. The student body told A. he was going to be where the "bad kids" are if he went to Lee.
Mountain Gap P8	<i>Transportation improvement</i>	Bus stops closer to my home
		Need to provide transportation from students home, not from the students home school. The bus comes at different times everyday.
Weatherly ES	<i>Content with M2M program</i>	The program is awesome! We are grateful for the opportunity!
Whitesburg P8	<i>Content with M2M program</i>	J. loves Whitesburg and all his teachers he has had since kindergarten each teach he has a special relationship with.
	<i>Fair treatment/welcoming environment</i>	MLK isn't even on the list. My child will return to his zoned school (MLK) after last year's transfer to Whitesburg Elementary. I experienced a few horrible teachers and the principle didn't work to make us feel welcome. I'm closer to my decision to withdraw and homeschool my kids after having to endure the mistreatment and indifference shown to me and my students by the Huntsville School System.

### How has Covid-19 affected your student's experience on an M2M transfer, if at all?

School	Response Category	Parent Response
<b>Blossomwood ES</b>	<i>Adapted to different ways to learning/went virtual</i>	It was a little rough in the beginning because it was her first time at the new school but her classmates and teachers made her feel welcomed and she was fine.
	<i>Affected grades/learning</i>	She wasn't able to get to her level in reading.
	<i>Dislike of virtual learning</i>	She struggled to cope while doing home school. We had to put her back in school because of it. virtual wasn't good for him.
	<i>Missed out on interactions/activities</i>	It affected her ability to physically attend school. Missing friends and the structure of schooling. She was not able to attend school because of virtual learning.
	<i>Other</i>	It was a bit confusing have so many different teachers with it being his first year at school
<b>Chaffee ES</b>	<i>Affected grades/learning</i>	Studies
	<i>Missed out on interactions/activities</i>	Absent days and missing out on learning activities
<b>Challenger MS</b>	<i>Adapted to different ways to learning/went virtual</i>	A little bit, but was able to overcome with support from teachers
	<i>Affected grades/learning</i>	It affected his grade one semester he was quarantined for 4 weeks. He had never received a c until then. He struggled virtually in algebra, but as soon as he was back at school he did fine It was hard for him. SHE WAS A VIRTUAL STUDENT WHICH REALLY AFFECTED HER CONCENTRATION HENCE HER GRADES.
<b>Farley ES</b>	<i>Other</i>	He had 4 teachers last year
<b>Grissom HS</b>	<i>Adapted to different ways to learning/went virtual</i>	My kids were virtual.
	<i>Missed out on interactions/activities</i>	He did not attend school in person but still attended online and tested at his school. He missed the interaction with his teachers and classmates.
	<i>Other</i>	It was awful
<b>Hampton Cove ES</b>	<i>Adapted to different ways to learning/went virtual</i>	M. has adapted and adjusted very well during this time. My daughter was did show a struggle through the whole Covid-19 experience. However, the teacher were extremely helpful and informative.
<b>Hampton Cove MS</b>	<i>No major effect</i>	My daughter has had an amazing academic experience at Hampton Cove Middle School through COVID-19.
	<i>Other</i>	It was ok. Just wish there was more one on one. Limited
	<i>Affected grades/learning</i>	I believe that COVID-19 did not affect the M2M but rather has affected the school experience itself. My son NEVER had low grades like he did this year. We never experienced difficulty in turning or sending in work before COVID even on the school computer, while this year he did. Also while all of his teachers were aware that he had these computer difficulties but a couple could not concede to it being turned in through a means like email. The stress of this year took a toll on grades and on the children and parents alike.

### How has Covid-19 affected your student's experience on an M2M transfer, if at all?

School	Response Category	Parent Response
<b>Huntsville HS</b>		She struggled with at home learning. We had to place her back in school during her second semester.
	<i>Dislike of virtual learning</i>	In person lesson is what's best for my son.
	<i>Missed out on interactions/activities</i>	He wasn't able to get the in person connection with his fellow classmates and teachers. Student, like all other students, spent the majority of the past school year virtually. This limited the social interactions and ability to obtain face to face instruction.
	<i>Other</i>	COVID 19 was not great for my child during the school year at all.
		Covid-19 affected his experience because of finishing 8th grade virtually and not face to face
		It has affected her in alot of ways because she was considered to be in the high risk category because of having Asthma
It's been difficult and scary SCARY		
<b>Huntsville Jr. HS</b>	<i>Affected grades/learning</i>	She wasn't able to complete her 8th grade in class.
	<i>Other</i>	When I choose my minority my majority school year this year I didn't think we was going to have a bad school year dealing with Challenger Middle Challenger Middle is not a school for children who don't understand the teachers some of them were okay some of them were not my daughter had a bad experience the principal I feel like he's president I feel like the whole school was really to be honest like they don't have a lot of black people on that side of town other than that I felt some of the teachers were more understanding some were not but at this time I just say that some schools need to get better the only reason why my child is not at her homes good due to the principle Miss Dr Collins and Mr King now one of them principles I can do not like and I feel like they are not a good principle for this side of town School
<b>Jones Valley ES</b>	<i>Adapted to different ways to learning/went virtual</i>	He was virtual but the days he went for testing he loved it
		It was challenging at first but once the school got a understanding of what the needs were, they were very helpful.
		My son was totally virtual his first year of school. He will be returning on ground this school season.
<b>Lee HS</b>	<i>Missed out on interactions/activities</i>	Yes, because he never had the chance to tour his school.
	<i>Other</i>	He has received both COVID-19 Vaccine shots. He is ready to go to school.
<b>Morris P8</b>	<i>Adapted to different ways to learning/went virtual</i>	He was was a virtual student for the 2020-2021 school year.
<b>Mountain Gap P8</b>	<i>Other</i>	No afterschool care available.
<b>Weatherly ES</b>	<i>Adapted to different ways to learning/went virtual</i>	He had to adapt to the changing ways of instruction and doing and understanding in some ways.
	<i>Affected grades/learning</i>	Remoting learning has been difficult for working parents like myself. It was not easy to get the support needed from school and teachers last year.
	<i>Adapted to different ways to learning/went virtual</i>	Student attended classes virtually for the 2020-2021 school year

**How has Covid-19 affected your student's experience on an M2M transfer, if at all?**

School	Response Category	Parent Response
Whitesburg P8	<i>Other</i>	<p>The virtual teacher assigned to us was horrible. My student regressed terribly due to his unaccommodating teacher. She refused to consider anything I had to say regarding my child and his struggles. The actions of this particular teacher were unbelievable, I felt my only option was to "check out". There was no compromising and the principal did nothing to help the situation. We were made to feel unwelcome, unwanted and unworthy of attending this school. I feel strongly that transfers (M2M) are looked upon as a burden. Some of the teachers need to be held accountable for their inappropriate conduct; the classroom is no place for attitude &amp; ego. This past year heightened my concerns about HCS policies, procedures, teachers &amp; principals hired to educate and do the right thing for our children.</p>
