

Creating a Parent Account in Schoology

- Go to www.schoology.com
- In the upper right-hand corner of the screen, Click Sign up and then Parent

- Enter your parent access code. You will receive this code from your child's school or from one of their teachers. It is in the format xxxx-xxxx-xxxx
You only need to enter the access code one time for your child

Sign up for Schoology Back

Access Code

Enter the access code provided by your child's instructor

Continue

- Click Register to complete the process
- If you have other children in the district, Click the Add Child button to add them to your account
- Note: Grades in Schoology may be different than grades in iNow. The grades you see in Schoology only contain the assignments graded in Schoology. To see your child's course average, look in iNow.
- Schoology has an iOS mobile app, [click here for more information on the app](#)
- Schoology has an Android app, [click here for more information on the app](#)
