Subject: IMPORTANT 2015-16 M-to-M Transfer Application Information

School Principals and Office Staff:

Tomorrow, April 17, our application window for Majority to Minority (M-to-M) student transfers will be open and we will begin accepting new applications for the 2015/16 school year. These applications will be accepted from April 17-May 18 online at https://transfer.hsv-k12.org. Computers will be available at the Merts Center for parent use. Please feel free to direct them here to complete their online application.

Attached is the new M-to-M paper application that parents may use to submit their request if they do not wish to use the online application process. This application includes information documents (that can also be found on the Transfer website for parent reference) to assist them in properly submitting a request. It is imperative that you print 10 complete copies of this application and make them available at your office should a parent request a paper application. Please ensure you print and provide a parent with all 4 pages of the application. If more copies are needed, please make more copies. The paper application can only be accepted by the Assessment and Accountability office at the Merts Building. Please direct parents who wish to submit a paper application to our office. Please DO NOT accept any paper M-to-M applications.

Also, there are a few requirements of this process that may prompt your students’ parents to request your assistance. In order to make this as easy as possible for you, we have defined those requirements and have documented them in the second document attached for your reference.

Should you or your school parents have questions regarding this process, please feel free to contact me at 256-428-6892. You may also find helpful information regarding M-to-M transfers at www.huntsvillecityschools.org/MtoM.

Majority-to-Minority Student Transfer Information

PLEASE READ PRIOR TO COMPLETING AN APPLICATION

1. How do Majority-to-Minority ("M-to-M") transfers work?

Rising Kindergarten through 12th grade students are eligible for a M-to-M transfer if: 1) the student’s race is in the majority at the student’s zoned school. Majority means that over 50% of the students at the school are the same race; 2) the student’s race is not in the majority at his or her desired school if less than 50% of the students at the school are the same race as the student; and 3) there is space available at the student’s desired school, as defined by the Proposed Consent Order.

2. Am I eligible for a transfer?

In order to be eligible, your student must be in the majority race at his or her zoned school for the 2015-2016 school year. If you are unsure which school is your child’s zoned school is for the 2015-2016 school year, please use the “Find my School” tool found on www.SchoolZoneLocator.com. Once you know your student’s zoned school for the 2015-2016 school year, please find your child’s school on the Demographics & Space Availability Table and check under the column labeled “Race of students who can transfer out?”. If the race in that column matches your child’s race, he or she is eligible for a M-to-M transfer. For additional help, call Sheri Wilkinson at 256-428-6892.

3. Which schools may my child transfer to using a M-to-M transfer?

To determine whether your child may transfer to a specific school using a M-to-M transfer, find the school on the Demographics & Space Availability Table and check under the column labeled “Race of students who can transfer in?”. If the race in that column matches your child’s race, he or she is eligible to transfer to that school using a M-to-M transfer (assuming your child’s race is in the majority at his or her zoned school for the 2015-2016 school year (see #2 above)). For additional help, call Sheri Wilkinson at 256-428-6892.

4. On the Demographics & Space Availability Table, my child’s zoned school says “No Transfers Out.” What does this mean?

Majority-to-Minority transfers require that your child’s race is in the majority at his or her zoned school for the 2015-2016 school year. If a school has no majority race, meaning that no race constitutes 50% or more of the student population, then no student may transfer out of that school using a Majority-to-Minority transfer.

5. What do the “High”, “Medium”, “Low”, and “No/Limited” mean under the column “Space Available”?

High Availability Schools are projected to have 30 seats or more for transfers. Medium Availability Schools are projected to have between 15 and 30 seats for transfers. Low Availability Schools are projected to have fewer than 15 seats for transfers. No/Limited Availability Schools are schools projected to have no space available or very limited space available. Selecting No/Limited Availability schools will likely result in placement on the waitlist, and there is only a small chance that these schools will accept transfers during the waitlist period.

6. My race is not Black or White. May I use a M-to-M transfer process?

There are no schools in Huntsville City Schools that have a majority race other than Black or White. Therefore, at this time, students of a race other than Black or White are not eligible for a M-to-M transfer.

7. What happens if I use this application to apply for a M-to-M transfer, but my child is not eligible for a M-to-M transfer or the school I select for the transfer is not eligible to accept my student?

Your child’s application will be denied. For additional help, call Sheri Wilkinson at 256-428-6892.

Subject: Please help us spread the word about our upcoming meetings regarding Parent Information Meetings to discuss Majority to Minority Transfers

Hi Ladies:

Would you all be willing to share this information on the HCPTA website for us? And, would you also share with all of the PTA Contacts that you have for our schools? We are trying to make sure we reach EVERYONE! Many thanks for your help!

We want to ensure that we reach all areas of our community and would appreciate it if you could post the attached flyer in your centers/buildings. We will be hosting Parent Information Sessions and want to make sure all of our parents have knowledge of these opportunities. Many thanks for your support!

APPLICATIONS FOR MAJORITY-TO-MINORITY TRANSFERS ARE NOW AVAILABLE

Who can apply?
Rising Kindergarten through 12th grade students can apply, if they are eligible. To be eligible for a Majority-to-Minority ("M-to-M") transfer, the student’s race must be in the majority at the student’s zoned school for the 2015-2016 school year. Majority means that over 50% of the students at the school are the same race.

What does a M-to-M transfer do?
A M-to-M transfer allows a student whose race is in the majority at his or her zoned school transfer to a school where the student’s race is not in the majority if space is available at that school, as defined by the Proposed Consent Order.

When can I apply for a M-to-M transfer?
The M-to-M application period begins on April 17, 2015 and ends at 11:59 p.m. on May 18, 2015. It is most advantageous for your child to apply during this window, because all students who apply during the application window will be placed in a randomized, computerized lottery. There is no first-come, first-served for applications received during this window.

If you apply after 11:59 p.m. on May 18, 2015, your application will be considered a “late M-to-M application.” Huntsville City Schools will accept late M-to-M transfers until 11:59 p.m. on July 15, 2015. Applications received during this time will be accepted on a first-come, first-served basis after all students in the lottery have been processed.

Where can I complete a M-to-M transfer application?
• Online by visiting www.HuntsvilleCitySchools.org/MtoM;
• Using a computer at the Huntsville city Schools’ central office located at the Merts Center, 200 White Street, Huntsville, Alabama 35801; or
• Using a paper application made available at the Merts Center and at your child’s school.

How can I find out more information about the M-to-M transfer process?
For more information, please visit www.HuntsvilleCitySchools.org/MtoM or call Sheri Wilkinson, Student Assignment Coordinator, at 256-428-6892.

Subject: Majority to Minority Application Window Now Open

Huntsville City Schools Majority-to-Minority application window is now open. If your student is interested in applying for a transfer through the M-to-M process, you should submit your student application by May 18. It is best to apply during this regular application period because offers to students who qualify for M-to-M transfers are made through a lottery process and are not based on first come/first serve basis. Late applications will be accepted after May 18th, but it is best to apply on or before May 18. Information about this process is available online at www.HuntsvilleCitySchools.org. Parents may apply online through the HCS website. We also have computers and staff available at the central office at the Annie C. Merts Center, 200 White Street, to assist with your application. Parents may submit paper application to the Merts Center. Paper applications are available at your local school office. If you need assistance with the application, please contact us at 256-428-6892. The regular application period will close on May 18.

M-to-M Parent Meetings
M-to-M Policies

- Rising Kindergarten through 12th grade students are eligible for a M-to-M transfer if:

  - The student’s race is in the majority (meaning over 50% of the students at the school are the same race) at the student’s zoned school;

  - The student’s race is not in the majority (meaning less than 50%) at his or her desired school;

  - There is space available at the student’s desired school, as defined by the Proposed Consent Order.
M-to-M Policies

- Grandfathering:
  - Students who were granted M-to-M transfers for school years prior to the 2014–15 school year may remain in the school to which they were granted a M-to-M transfer and its feeder pattern, as defined by the Proposed Consent Order, through the completion of the 12th grade.

  - These students **will not need to, and should not**, reapply for their transfer each year or when advancing to a new school in the feeder pattern.
M-to-M Policies

- **Grandfathering** (continued):
  - Students granted M-to-M transfers for the 2014–15 school year and thereafter may remain at the school to which they transferred through the highest grade offered at that school only.
  - Upon completion of the highest grade offered by their schools, students may apply for a M-to-M transfer to attend the school serving the next grade levels in the feeder pattern, as defined by the Proposed Consent Order.
    - These students will get priority over new applicants for a M-to-M transfer at the next school;
    - If the school does not have space available for all priority M-to-M transfers, the District will use a lottery to grant transfers.
  - Upon completion of the highest grade offered by their schools, students may also apply for a M-to-M transfer to attend a school outside of the student’s feeder pattern.
    - The student will **not** receive a priority for these transfers.
M-to-M Priority

- M-to-M transfers receive the highest priority of any transfer in the District.

- All non-grandfathered students currently on a transfer other than a M-to-M will have to reapply for their transfer this spring to have a chance to remain at their current school.
  - Rising 11th and 12 graders are grandfathered.
  - Other transfers include: superintendent, medical, personnel, No Child Left Behind, and percentage of race.

- The best way for your child to transfer schools is to use the M-to-M process if your child is eligible.
M-to-M Timeline for the 2015–2016 School Year

- The M-to-M application window is scheduled to open on April 15, 2015 and to run one month. The District is working on finalizing its application website, and it will announce a specific date range as soon as possible.
  - Applications received during this time will be placed in the lottery.
  - It is most advantageous for your child to apply during this window, because all students who apply during the application window are treated equally.
  - There is no first-come, first-served for applications received during this window.

- Late M-to-M applications will be taken from the end of the application window until midnight on July 15, 2015.
  - Applications received during this time will be accepted on a first-come, first-served basis after all students in the lottery have been processed.
How to Apply?

- Three different methods:
  - Online – via the District’s website.
  - Using a District computer at the Merts Center.
  - On a paper application made available at the Merts Center and at your child’s school.
How is my child selected?

- **Within 5 days** of the close of the application window, all students will be placed in a computerized, two-round randomized lottery.
  - **Round 1 of the Lottery:**
    - The lottery system will select names of students from the applicant pool based on the students’ lottery numbers.
    - For each name selected, the lottery system will determine whether either of the student’s two preferred schools (in order of preference) have available space.
    - The lottery system will repeat the process until either no available seats remain or no applications remain, whichever occurs first.
How is my child selected?

- **Within 10 calendar days** of running Round 1 of the lottery, the District will inform parents/guardians of students who have been offered a M-to-M transfer, using email and U.S. mail.

- Parents/guardians will have **10 calendar days** from the post-marked date of the offer letter to accept the offer for their child.
  - You may accept online or by phone.

- **Failure of a parent/guardian to inform the District within 10 calendar days of the post-marked date of the offer will be treated as having declined the offer.**
How is my child selected?

- M-to-M spaces that remain at the end of Round 1 of the lottery, will be available for Round 2 of the lottery.

- **Within 10 calendar days** of running Round 2 of the lottery, the District will inform parents/guardians whether their child has been offered a M-to-M transfer.
  - If your child is not offered a M-to-M transfer, he or she will be placed on the waitlist of his or her first choice school.
  - The waitlist will expire on July 15, 2015.

- Parents/guardians will have **10 calendar days** from the post-marked date of the offer letter to accept the offer for their child.

- **Failure of a parent/guardian to inform the District within 10 calendar days of the post-marked date of the offer will be treated as having declined the offer**.
How do I accept my offer?

- **Three different scenarios:**
  - **Scenario 1:** You receive your **first choice**.
    - You will be sent an offer letter for your first choice.
    - If you accept, then your child will be enrolled in their first choice school for the **2015-2016 school year**.
  
  - **Scenario 2:** You are **waitlisted** for your **first choice**, but receive an offer for your **second choice**.
    - You will be sent an offer letter for your second choice.
    - You will be given the option to accept the offer for your second choice or to be placed on the waitlist for your first choice.
    - **You cannot** accept an offer and be placed on a waitlist.
    - If you select the waitlist option and if a spot in your waitlisted school becomes available, your eligibility for the new spot will be based on your lottery number.
  
  - **Scenario 3:** You are **waitlisted** for both choices.
    - You will be placed on the waitlist for your first choice only.
    - If a spot in your waitlisted school becomes available, your eligibility for the new spot will be based on your lottery number.
Late Applicants?

- All students who apply after the close of the M-to-M application window are considered “late applicants.”
  - You cannot complete a late M-to-M application if you already completed a M-to-M application during the regular application window.
  - In other words, you cannot apply twice.

- Late applicants are placed in a school only if there is space available following the regular M-to-M process.
  - This means that regular applicants get priority over late applicants.

- If there is no space available in the late applicant’s school of choice, the student will be placed at the end of the waitlist on a first-come, first-served basis.
Space Availability

- M-to-M transfers are granted based on space availability in each school.

- To help parents/guardians make informed selections for their first and second choice schools, the District will provide demographic information about each school in the District.
  - This information will be included on the District’s website, the online and paper applications, and will be available from the Assessment and Accountability Department.

- Additionally, the District will categorize all schools as **high availability, medium availability, low availability, or limited/no availability**.
Space Availability

- High Availability Schools
  - Schools projected to have 30 seats or more for transfers.

- Medium Availability Schools
  - Schools projected to have between 15 and 30 seats for transfers.

- Low Availability Schools
  - Schools projected to have fewer than 15 seats for transfers.

- No/Limited Availability Schools
  - These are schools projected to have no space available or very limited space available.
  - Selecting these schools will likely result in placement on the waitlist, and there is only a small chance that these schools will accept transfers during the waitlist period.
Transportation

The District is committed to transporting its M-to-M transfer students to and from their M-to-M transfer school, for students whose parents/guardians chose to accept District transportation.

The District will post the pick-up and drop-off points and estimated times associated with each on its website.

- The pick-up and drop-off points for each student will always be the students' zoned school.
- For example, if a student who wants District transportation is zoned for Chapman P-8, his or her parent/guardian will need to provide for students who stay late for after-school activities.
Recruitment to Hampton Cove and Goldsmith–Schiffman Elementary Schools

- The District has planned three meetings to inform parents about Goldsmith–Schiffman and Hampton Cove Elementary Schools:
  - Lakewood: Tuesday, April 14, 5:30 p.m.
  - Highlands: Wednesday, April 15, 5:30 p.m.
  - University Place: Thursday, April 16, 5:30 p.m.

- A bus tour of Hampton Cove and Goldsmith–Schiffman Elementary Schools is planned for parents the morning of April 23 and the evening of April 28. More detailed information about the tour will be provided at the informational meetings listed above.
  - To register for the parent tour, sign up at one of the informational meetings or call 256-428-6975.
  - Deadline to register for the bus tour on April 23 is April 21, and the deadline to register for the bus tour on April 28 is April 26.

- As part of its recruitment efforts, the District will provide extended day services to M-to-M students attending Goldsmith–Shiffman Elementary School free of charge.
  - Parents/guardians are responsible for picking up their child after the extended day program.
Parent/Guardian Checklist

☑ Make sure to apply during the regular application window to give your child the best chance to receive an offer.

☑ If you receive an offer letter for your child, be sure to promptly accept the offer so that the offer does not expire.

☑ Once your child has been accepted to a school, be sure to get your child to his or her zoned school in time for the District’s transportation to his or her M-to-M school, if you choose to use District transportation.

Joint Proposed Consent Order Filed

For the past several months, at the direction of
the Federal Court, Huntsville City Schools
Administration and legal counsel, and the United
States Department of Justice have been in
mediation for the purpose of drafting a Proposed
Consent Order intended to resolve remaining
issues and ultimately to bring to a close the
school desegregation case. Today, Monday,
January 26, 2015, the Proposed Consent Order
is available to the public. This agreement is
supported by the U.S. Department of Justice
and the Huntsville City Schools Administration
and Board legal counsel. Today, information
about how to access the Proposed Consent
Order will be sent home with students.
