ACADEMIC COURSES

All seventh grade students will take four academic courses to include English language arts, math, science, and social studies, as well as a physical education/health course. STUDENTS AND THEIR PARENTS ARE ENCOURAGED TO MAKE SELECTIONS CAREFULLY!

Honors courses are available in each of the four academic subjects. Students are recommended for placement in Honors courses based on specific student data (e.g., standardized test scores, STAR scores, Scantron scores, grades, etc.). Students who score below proficiency on a normed standardized test may be administratively placed in math or reading intervention.

Students may enroll in honors courses in one of three ways: 1) Student meets placement guidelines for enrollment in the honors course; 2) Teacher recommends student for honors course; or 3) Parent requests student enrollment in honors course.
