

# Student Login to Schoology from a HCS Device

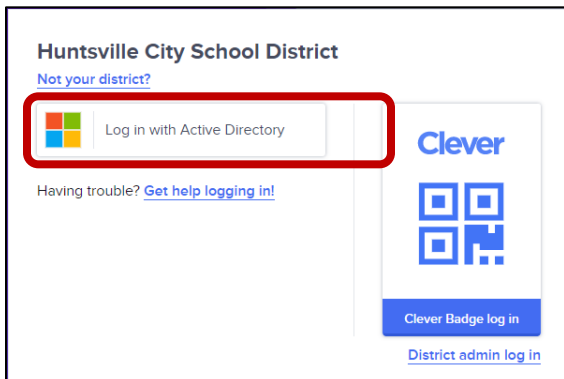

- On a Windows device, click the Clever icon on the desktop

- On a Chromebook, click the Clever bookmark in the Chrome browser
- Kindergarten students will use the Clever app on their iPad
- Type in the name of your school in the box under Search for your school

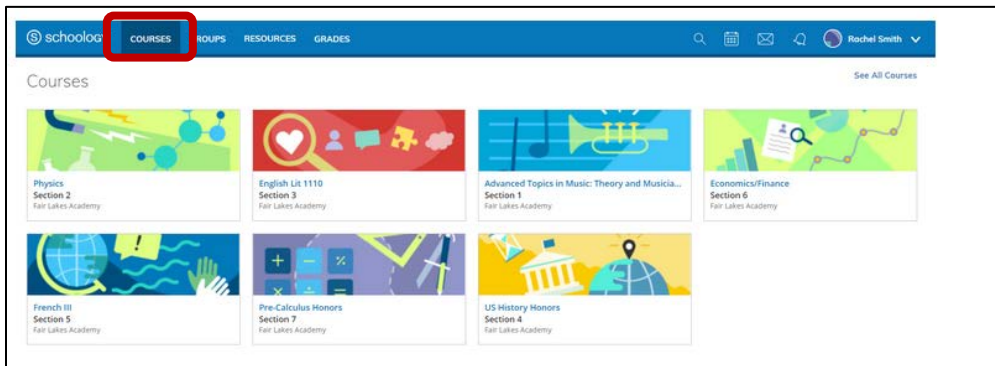

- Click on your school name when it pops up.
- Click Log in with Active Directory

- Type in your username `firstname.lastname@stu.hsv-k12.org`
- Type in your laptop password

- Once you are logged in to Clever, click the Schoolology icon
- In Schoolology, you can view your courses by clicking Courses in the blue bar on the top of the screen.

- You can also click on Groups, Resources, or Grades to view the items in those categories. Note: Your grades in Schoolology may be different than your grades in iNow. The grades you see in Schoolology only contain the assignments graded in Schoolology. To see your true course average, look in iNow.
