

## Canvas Learning Management System for Students

- Huntsville City Schools students in grades six through twelve have an account created for them in the Canvas Learning Management System (LMS).
- All classes a student is enrolled in iNow are listed on his/her Canvas dashboard.
- In each Canvas course you can view assignments, communicate with your teacher, take a quiz, and more.
- To access Canvas on a Huntsville City Schools student device, go to the Clever icon on your desktop. [Student Login to Clever on a HCS Device](#)
- To access Canvas on a Non-HCS device, see these directions [Student Login to Clever on a Non-HCS Device](#)
- Log into Clever with username *firstname.lastname@stu.hsv-k12.org* and your Huntsville City Schools password.
- Once you have logged into Clever, click on the Canvas icon.
- You may also access Canvas from these links
